# THE VERY THOUGHT OF YOU

*'She never danced with the Prince of Wales,  
but she did get to marry the crooner...'*

In his heyday, Al Bowlly sold more records in the UK than Bing Crosby. When he sang with Lew Stone's band at the Bristol Coliseum, shop-girls and debutantes mobbed the stage door.

*'The very thought of you ... and I forget to do  
Those little ordinary things that everyone ought to do...'*

In this new musical play by Tony Staveacre, Kate McNab tells the bitter-sweet story of one of the first heroes of British popular music, from the perspective of the nightclub hostess who married her heart-throb.
